

Mitchell BIA

April 2015

April 2015

IN THIS ISSUE

NEW Mitchell BIA Website!

If you haven't had a chance to check out the new Mitchell BIA website, we encourage you to do so at www.mitchellbia.ca!

Officially launched in February the site is the new hot spot of Mitchell & Area events. If your community group, church, sports team, or committee have an event you'd like to post email webmaster@mitchellbia.ca to submit any content or events.

The goal of the Mitchell BIA is to support local business economics in West Perth, and to support the community through free advertising and being the hot spot of reasons to shop, live, eat, and entertain in West Perth!

Town Garage Sale Day

The town Garage Sale day was set at the last meeting for the 23rd of May.

Upcoming Events ...

Mitchell Optimist Music Festival

Mitchell Optimist annual 10 day community music festival is set in various venues throughout Mitchell.

April 1-10 at various Venues in Mitchell. Daily admission \$2, festival pass \$5.00

For further details please visit www.mitchelloptimists.ca.

Concert of The Stars

The Concert of The Stars caps off the Mitchell Optimist Music Festival at the Mitchell Community Centre on Friday April 10, 7:00pm

Mitchell Toy Show

A Toy Show Featuring Farm Toys, Construction Equipment, Banks, etc. with proceeds to Camp Bimini.

Sunday, April 19th from 10am-3pm at the Mitchell Community Centre. Admission: \$3.00 and children under 10 FREE!

16th Annual West Perth Clean-Up Day

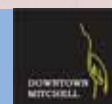

On Saturday April 18th, Help clean up our parks and riverbanks for Earth Day! Rural residents are encouraged to clean along their concessions and along rivers and streams, then join us for lunch at the Mitchell Lion's Park Pavilion.

Registration starts at 9am at either Mitchell Lions Park or Dublin Pavilion. All Thames River cleanup volunteers can register for a chance to win a nova craft canoe!

This event is sponsored by the West Perth Energy & Environment Committee.

BIA Member Profiles: Skyline Studios

As part of a regular feature each issue of the Mitchell BIA newsletter will spotlight a member of the BIA. If interested in having a profile about your business please email Mary-Katherine at info@mitchellbia.ca

Skyline Studios offers high quality music lessons as its primary service to Mitchell and area. Skyline Studios also offers wedding and event DJ services, music recording services and videography for music videos and commercials.

Owner Dustin Smith has been offering lessons in acoustic and electric guitar, drums, bass, vocals and piano since 2012. Originally offering lessons from his home business Dustin opened his first downtown location in September of 2012 and has since relocated to a more central location this January. Raised in Mitchell, Dustin grew up to love music, and is a graduate from the Independent Musician Production at Seneca.

His parents own Deep Waters Music for eight year, which has since moved to its current location in St. Marys from Mitchell in 2010. Mitchell had a void to be filled so when Dustin was looking open up his business it was a obvious this great community with life long friendships, Mitchell was going to become home for Skyline Studios.

Dustin was approached by Viola Tyler to join the BIA during Skyline's first year of operation and feels that the BIA is a beneficial component to the Mitchell's business community and helps downtown businesses owners work together.

Currently Skyline Studios has between 75-80 active students ranging in age from young children to adults. Dustin believes in encouraging his students to perform in town at events throughout the year so they can become more confident in their musical abilities and engage with the community. Stay posted in June for the Skyline Studios student showcase to exhibit his student's musical talents. The date and location will be announced later this month.

As Skyline Studio continues to grow into its new location on 46 Ontario Road, Dustin also performs in his band Reignfall throughout southern Ontario. Their next show will be playing at Trapper's fundraiser show to tour with Def Leopard this coming Saturday at 7:30pm at the Army & Navy on April 11th.

For more information you can contact Dustin Smith at 519.276.1188 (cell) or reach him at the studio at 519.348.8878. Visit Skyline Studios YouTube page at www.Youtube.com/SkylineStudiosOfficial and find them on Facebook at <https://www.facebook.com/SkylineEnterprise?fref=ts>.

NEXT BIA MEETING

Your next BIA meeting is on **April 8, 2015 at 6:15 pm** at the Municipal Building.

Please try to attend, it is wonderful to have your input and guidance on all discussions made!
