Business Owner,

We realized that your business is not on the Mitchell BIA website, or you may already be on the website and just need your information updated! We have just re-designed our site and are looking to update the current information and add any new businesses in the Mitchell area. The purpose of having your business on our website is so that people or businesses in Mitchell and West Perth can find **your** business and take advantage of the services that you offer. Your page will not only be viewed by locals, but also by tourists interested in coming to our community. We want to display all of what Mitchell has to offer and would like you to be a part of this.

If you are interested in this opportunity, please take a few minutes to fill out the questionnaire below with your information, or go to www.mitchellbia.ca and click on the 'Contact Us' link at the bottom of the page to download this PDF.
